

KNIFE HEATERS BOX

ESS BEE Knife heater box electric heaters heat separate rubber cutting knives, trim blades, burn-in knives, and other tools requiring heat for efficient performance. They allow increased flexibility and safer operation than an all-in-one corded heating tools due to no restriction areas of work and no tangled cords. Safety is increased further with a perforated guard to prevent contact with heater surfaces. ESS BEE heater comes to full heat in a few minutes and maintains a constant heat, which can be controlled by thermostat. The Knife Heater has access from the front and rear for increased productivity and can hold unto 6, 8" square knives. FEATURES UL-Listed — safety tested and certified by Underwriters Laboratories, Inc. Heaters come to full heat quickly and maintain constant heat. Oven is accessible from front and back for multiple tool heating.
